

Visava Resort-Saralgaon (Tal: Murbad)

Rose Garden

A one of a kind rose garden, where you not only see the best of the roses, but also get some knowledge, on growing more rose cultivation. 450 variety of roses almost more than 1500 plants, all the plants have international names this is for the fact that you might come across a typical color /flower at any exhibition & you visit your nearest nursery & ask for that color but you don't always get that same bloom, & you question your florist/nursery for giving you the wrong plant. At VISAWA every flower is tagged with their respective names recognized worldwide, which one can demand on the same variety & name anywhere. Visawa is always proud for its roses and almost always we get King/Queen rose awards in

- National Rose Convention
- Friends of Trees

Knowledge – On every Saturday with prior appointment Dr. Mhaskar conducts classes on “Domestic Rose Growing /Gardening)

Swimming Pool:-

The large, tranquil pool presents the vivid illusion of being a part of a shimmering lake. In the freshness of the mornings or the cool breezy evenings, and with an equally tempting afternoons, the poolside offers the perfect antidote for tired limbs after a hectic day of leisure. The waters are safe and fully treated. It expands to a semi Olympic size nicely curved bean like shaped pool.

Artificial Rain:-

Now no longer waiting for the rainy season to come, our artificial rain gushing from the shaking leaves & branches of trees will make you feel like natural rain and cool you from the heat!

Artificial Waterfall:-

We have built a lovely tall waterfall covered by beautiful rockery where you can massage your body under the rushing waters. A lovely experience!!!
